ACADEMIC TESTING

Academic testing is performed through remote proctoring. For more information, learners may refer to the course syllabus.

Goals for Standardized Exams

- Provide learners with information about their knowledge and skills in comparison to the national norm for learner achievement.
- Identify new learners entering an academic program who may benefit from additional strategies to facilitate success in learning.
- Provide remediation for any identified competency deficiencies.
- Build individualized learning plans, including faculty advising.
- Assist learners in achieving the stated learning objectives.
- Provide data for curriculum reviews and program outcomes.
